

Hygiene measures See section 7 for more information

9. Physical and chemical properties

Information on basic physical and chemical properties

Physical state	/RWLRQ/LTXLG	Color	2SDTXH:KLWH
Appearance	&UHDP		
Odor	QRQ)UDJUDQW	Odor Threshold	1R information available

<u>Property</u>	<u>Values</u>	<u>Comments</u>
pH		No information available
Melting/freezing point	1RGDWDDYDLODEOH	
Boiling point/boiling range		No information available
Flash Point		No information available
Evaporation rate		No information available
Flammability (solid, gas)		No information available
Flammability Limits in Air		
upper flammability limit		No information available
lower flammability limit		No information available
Vapor pressure		No information available
Vapor density		No information available
Specific Gravity	1.	
Water solubility		
Solubility in other solvents		No information available
Partition coefficient		No information available
Autoignition temperature		No information available
Decomposition temperature		No information available
Viscosity, kinematic		No information available
Viscosity, dynamic		No information available
Explosive properties	1RQH	
Oxidizing Properties		No information available

Other information
Volatile organic compounds (VOC) content None

10. Stability and Reactivity

Reactivity
 No dangerous reaction known under conditions of normal use

Chemical stability
 Stable

Possibility of hazardous reactions
 None under normal processing.

Conditions to Avoid
 1RQHNQRZQ

Incompatible Materials
 None known based on information supplied.

Hazardous Decomposition Products
 1RQHNQRZQEDVHGRQLQIRUPDWLRQVXSSOLHG

11. Toxicological information

Acute toxicity

Numerical measures of toxicity: Product Information

Unknown Acute Toxicity < 1% of the mixture consists of ingredient(s) of unknown toxicity

Numerical measures of toxicity: Component Information

Information on toxicological effects

Skin corrosion/irritation

Product Information

- May cause irritation

Component Information

- No information available

Serious eye damage/eye irritation

Product Information

- May cause irritation

Component Information

- No information available

Respiratory or skin sensitization

Product Information

- No information available

Component Information

- No information available

Germ cell mutagenicity

Product Information

- No information available

Component Information

- No information available

Carcinogenicity

Product Information

• This product contains <0.1% free formaldehyde and may be capable of outgassing formaldehyde at levels in excess of OSHA's Action Level under some conditions of use. Formaldehyde is a known cancer hazard. Long term exposure may result in dermatitis or respiratory sensitization for sensitive individuals.

Component Information

- No information available

Reproductive toxicity

Product Information

- No information available

Component Information

- No information available

STOT - single exposure

No information available

STOT - repeated exposure

- No known effect

Other adverse effectsProduct Information

- No information available

Component Information

- No information available

Aspiration hazardProduct Information

- No information available

Component Information

- No information available

12. Ecological information

Toxicity**Ecotoxicity**

No information available

< 1 % of the mixture consists of component(s) of unknown hazards to the aquatic environment

Ecotoxicity effects**Persistence and degradability**

No information available.

Bioaccumulative potential

Discharge into the environment must be avoided

Mobility in soil

No information available.

Other adverse effects

No information available

13. Disposal Considerations

Waste treatment methods

Dispose of in accordance with federal, state, and local regulations.

14. Transport Information

DOT

Not regulated

MEX

Not regulated

IMDG

Not regulated

IATA

Not regulated

U.S. Federal Regulations**SARA 313**

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

Pesticide Information

Not applicable

U.S. State Regulations**California Proposition 65**

This product contains the following Proposition 65 chemicals:

Chemical Name	California Prop. 65
Formaldehyde - 50-00-0	Carcinogen

Prepared By Glo Germ Company

Revision Date 27-Apr-2021

Revision Note

*Glo Germ Powder is manufactured in a plant that uses Formaldehyde. In 10 years of random sample testing at independent labs, Formaldehyde has not been detected in Glo Germ particles. The original manufacturing method included using Formaldehyde for "curing" and the nature of the process ensures that any remaining Formaldehyde is offgassed.
